To whom ever it may concern,

- I am a highly dedicated and motivated worker. As a Resident Assistant here at SUU I received excellent ratings from my supervisor for going beyond my assigned duties.
- I have the needed knowledge in the liberal arts. My education has helped me to gain experience in writing case briefs and proposals. I also have gained the knowledge of how local politics work.
- I work well both independently and as a team member.

As a political science major and legal studies minor I have taken many courses that have given me the knowledge that is needed in both local courts and local politics. I have worked on campaigns such as the Mitt Romney Campaign helping to get needed signatures and have attended local city council meetings. I have also attended local court sessions.

Thank you for taking the time to consider my resume. I look forward to being able to interview with you to see where you best see my experience to be utilized.

Sincerely,

Kelanie Chamberlain
